

The ancient grain for modern life

KAMUT® khorasan wheat, with its soft and nutty flavour, is appreciated for its high nutritional values and its light digestibility.

The name of the wheat is khorasan and the KAMUT® brand guarantees:

- ancient khorasan grain
- always grown organic
- never genetically modified

Nutritional value and energy.

KAMUT® khorasan wheat provides more energy than modern wheat and contains more proteins, amino acids, vitamins and minerals such as zinc, potassium, iron, phosphorus, magnesium and above all, selenium, a trace element that is known for its strong antioxidant properties.

Digestibility and research.

KAMUT® khorasan wheat has never been genetically manipulated and contains a less complex gluten which is easier to digest. It is an excellent alternative for modern wheat.

A study indicated that many people with non-coeliac modern wheat sensitivity had no or little problem eating KAMUT® khorasan products.

The research program is available on www.kamut.com

Taste the difference.

Thanks to its unique flavour and ease of digestibility, KAMUT® khorasan wheat is the ideal grain for many different dishes from a quick snack to a complete meal.
