

# Good food is in our nature

We have been growing crops on our organic farm near Hungerford since 1978 to mill top quality organic flour. Today many know us also for our gluten free flours, breakfast cereals, cookies and pasta.

Visit us at [dovesfarm.co.uk](http://dovesfarm.co.uk) for recipe inspiration and to find out more about us and what we do.

*Our award winning KAMUT® Khorasan flour was originally grown for the pharaohs in Egypt. This stoneground wholegrain flour is great for baking and has a unique and subtle taste. You can find our Tear and Share recipe at [dovesfarm.co.uk](http://dovesfarm.co.uk).*
